

## New Guardian Mindset Podcast: Where does law enforcement go from here?

### Description

The Guardian Mindset was developed to educate and help improve law enforcement, corrections, fire, and EMS services. We hope you will join us and our amazing guests explore a wide range of public safety related topics and updates. Listen and subscribe below for new episodes every month!

#### **Guardian Mindset 08: Chief Terri Wilfong (Retired)**

Attorney Eric Daigle is joined by consultant and friend, Chief Terri Wilfong (retired). The two discuss the significance of careers in law enforcement, leadership, and how the profession has changed and continues to change under the challenging circumstances and uncertainty of today. Listen and subscribe below for new episodes every month!

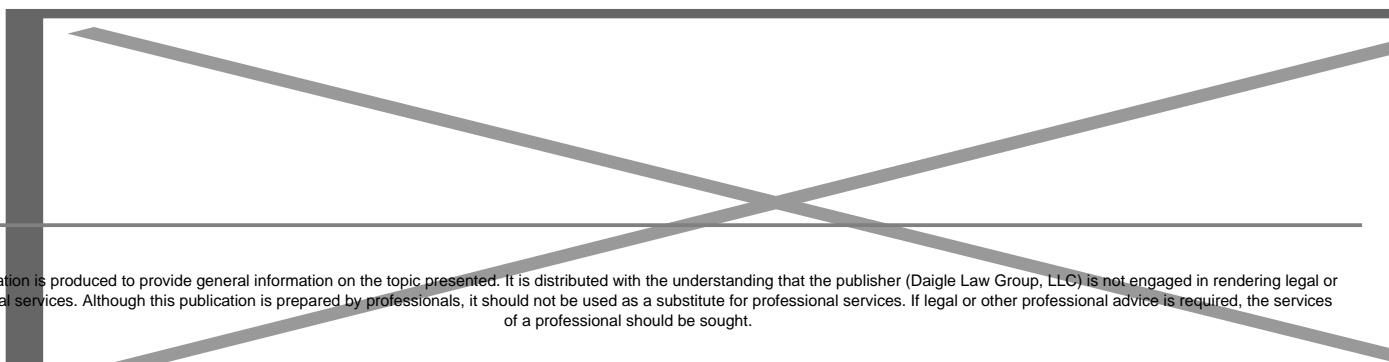

#### **Guardian Mindset 07: Current Trends in Use of Force Reform**

Join Attorney Eric Daigle as he reviews police reform legislation across the United States, and how the prospective changes to use of force standards relate to the guiding principles established in the decisions of *Graham v. Connor* and *Tennessee v. Garner*.
